

16mm+16mm sgp laminated glass stair floor has both safety and beauty

There are many things to consider when choosing floors for your home, but safety and aesthetics are two of the most important factors. SGPs LAMinated Glass Stair Flooring has both safety and beauty, making it a great choice for your home.

The glass is laminated and tempered for safety, so you don't have to worry about shattering glass causing guests or family members to fall. And the clear glass provides a beautiful view of your stairs while adding a touch of elegance to your home.

This type of glass is made by sandwiching a layer of plastic

between two layers of glass

sgp laminated glass stair floors are a beautiful and practical addition to any home. They offer the safety of tempered glass with the added bonus of being shatter-resistant. With a variety of colors and styles available, there is an sgp laminated glass stair floor to match any décor. Easy to clean and maintain, they are ideal for busy families. An investment in an sgp laminated glass stair floor will pay off in the long run by adding value to your home.
