

# CE Certified 12mm Clear Padel Glass Padel Court Glass Successfully Delivered

On May 4th, 2022, we successfully delivered a container of 12mm padel court glass to our client in Belgium with 6 countersunk holes. Compare with 10mm panoramic court glass, 12mm panoramic court glass has higher impact resistance. Both of our 10mm and 12mm tempered glass are tempered safety glass with lower breakage rates to protect players while playing paddle tennis. They are specially designed for panoramic padel court.

# 1. Panoramic Padel Court Glass Details

All of our panoramic padel court glass is using Top A glass sheets, without defects and internal bubbles. Accurate and automatic glass cutting, grinding and drilling.

The finished products are in high transmittance, super high strength, and impact resistance.

***Finished padel glass ready for shipment***

*Smooth and polished edges*

***High transmittance and strength Grade A glass***

*Accurate size countersunk holes without burrs & sharp edges*
