

China Safety 10mm 12mm Paddel Glass Shipped Out! -2022.06.16

So far it's been another busy week for us. How about you?

Six containers of paddel glass were shipped out! Four to Europe and two to the Middle East.

We have different ways of packaging, which one do you prefer?
Feel free to discuss this with us!

Paddle glass loading details□

Not only padel court glass, as a perfect padel court glass supplier, OEM accessories for paddel glass are also available.

Want to know more about the production details? You can check out our previous articles by [clicking here](#).

We [Shenzhen Dragon Glass](#) can help you with the whole padel glass work, including the OEM logo and accessories. Don't hesitate to contact us about your upcoming paddel glass project.
