

Super sparkling 5+5 mm reeded gold mirror laminated glass

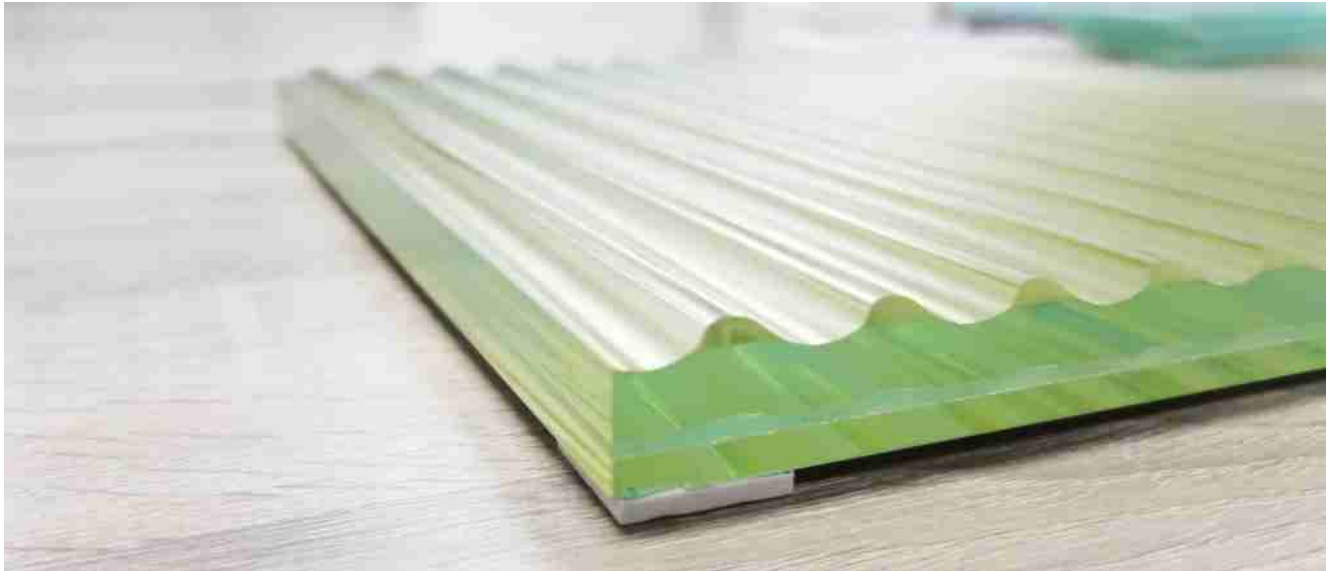

What is the reeded gold mirror laminated glass?

Reeded gold mirror laminated glass is also called fluted gold mirror laminated glass or ribbed gold mirror laminated glass. This type of glass has the same surface as the fluted glass and the gold mirror enables this item to shine, it has a strong decorative and privacy effect.

Reeded gold mirror glass is using reeded glass and gold mirror bonded together with high transmittance EVA or epoxy resin adhesive.

What is the difference between the EVA and epoxy resin adhesive?

Epoxy resin adhesive

EVA interlayer

Another method of reeded laminated glass with the same sparkling effect

Formerly we introduced the sparkling effect of the golden mirror. Now we can take another method to achieve this decorative effect, which is to sandwich the golden metal wire

in the middle layer. You can adjust the strength of the golden color. With more golden metal wire, the golden effect will be more obvious.

Specifications

- **Product name:** ribbed gold mirror laminated glass
- **Glass thickness:** 4+4mm, 5+5mm, 6+6mm, 8+8mm, etc
- **Interlayer:** high transmittance or epoxy resin adhesive
- **Functions:** Soundproofing, luxurious,safety,privacy .etc

- **Production time:**10-15 days
- **Capacity:** 2500 SQM per day

Certificates

The following contains the necessary certificates for fluted gold mirror laminated glass.

DECLARATION OF CONFORMITY

Labtest Laboratory

Certificate NO.: LBTC131123CE

EC Declaration of CPD Conformity

The following product has been tested by Labtest Technology Laboratory Ltd. with the testing standards and found in conformity with the EC Council Directive of 89/106/EEC. It is possible to use CE marking to demonstrate the conformity with this CPD Directive.

Report No.: LBTC131123CE
 Applicant: SHENZHEN DRAGON GLASS CO., LTD.
 Address: Yushan enterprise headquarters base, Longcheng street, Longgang District, Shenzhen, China
 Manufacturer: SHENZHEN DRAGON GLASS CO., LTD.
 Address: Yushan enterprise headquarters base, Longcheng street, Longgang District, Shenzhen, China
 Product: Laminated (Safety) Glass
 Size: 1.52+5mm, 5mm+1.52+5mm, 5mm+1.52+5mm, 10mm+1.52+5mm, 12mm+1.52+5mm
 Model No.: N/A
 Trade Mark: N/A
 Test Standards: EN ISO 12543-2:2011, EN ISO 12543-3:2011

The referred test report(s) show that the product complies with the essential requirements of the above listed standards. The applicant is authorized to use this certificate in connection with the EC Declaration of CPD conformity according to the Directive.

This certificate of conformity is based on a single evaluation of the submitted sample(s) of the above-mentioned product. It does not imply an assessment of the whole production and other relevant Directives have to be obtained.
